## AUSTRALIA'S TOP 100 WINES '06 Cabernet and blends – 10 Recommended

### HOWARD PARK LESTON CABERNET SAUVIGNON 2004

90 Points

“Fresh and juicy with deep menthols and berries, this Margaret River red is very attractive and vibrant to behold but then you get more for your money with a meaty side, prominent oak and lots of flavour concentration on the palate. A regional flag-waver.”
