Don't Buy Wine Without Me 2007

Stuart Gregor

HOWARD PARK LESTON SHIRAZ 2004

“Here we have Margaret River, which undisputedly makes marvy cabernet and also comes up trumps with chardies. Not too many regions can pull off that double act... Well, I think this region does the trifecta. And I think that this wine will add a really interesting chapter to the ‘shiraz or cabernet from Margaret River’ debate. The fun is in the research.”
