HOWARD PARK LESTON CABERNET SAUVIGNON 2005

“Deep dark brooding inky purplish crimson. Spicy blackberries ensue as does succulent rich plums, blackcurrant follow as does integrated perfumed cedary oak. A robust red wine of substance and gravitas. Seamless and long and smooth in finish. The fruit does the talking here with loads of black and red fruit emanating in mouthfeel but also along with a savoury dimension along with fine lingering tannins. Perfect drinking now and with a good future. Drink to 2020.”

95/100 - Superb
