A Riesling Renaissance      John Jens

HOWARD PARK

RIESLING 2005

18.3 Points

“...WA’s finest rieslings are most consistently crafted by Howard Park. In some years, for example the 1995 and 1997, Howard Park possibly produced Australia’s greatest riesling and the quality is consistently gold medal standard... The steely and mineral flavoured power and length are packed away behind appealing lime, citrus, spices and rose fragrances and they will ensure this release lives and develops brilliantly until at least 2020.”
