HOWARD PARK SCOTSDALE CABERNET SAUVIGNON 2007

“We return to sharp varietal definition in two contrasting Howard Park wines from individual vineyards in Western Australia’s Great Southern and Margaret River regions.”

The Great Southern wine presents ripe-berry flavours – in a lovely interplay with classy oak – without the leafy notes (usually indicative of a cool season)...Scotsdale features very intense, very young flavours and taut, elegant structure.

These Howard Park cabernets are strong, characterful wines needing a few more years’ bottle age to reveal their best.”
