## 2008 HOWARD PARK RICHE RIESLING

“A distinctly European take here, this naturally fermented and lees-aged Riesling has texture and around 42g/l of residual sugar (so it weighs in at 9.5% abv). Also from Gibraltar Rock vineyard, it’s a characterful wine, its richesse coming in the form of a slightly buttery mouthfeel and leesy, tangy quality to the finish, but there’s good acidity to its fresh cut apple/apple sorbet fruit to keep the line.”

Sarah Ahmed, celebrated UK wine writer visited Howard Park, Margaret River in October 2009 and was a guest speaker at the annual Howard Park International Riesling Tasting. Sarah wrote about Howard Park and reviewed the wines she tasted on her Wine Detective website in December 2009.
