HOWARD PARK SCOTSDALE CABERNET SAUVIGNON 2008

“2008 was a cracking year for cabernet sauvignon in Western Australia. This has complex aromas of blackcurrant, black and blueberries, some eucalypt and a hint of cedar oak.

...the balance is superb, with blackcurrant, chocolate and savoury flavours combined with lovely fine-grained tannins and tight acid. It's a super wine and good value.”

★★★★½
