2008 MADFISH GOLD TURTLE SHIRAZ

"...a good expression of cool-climate southern WA shiraz, of which I'm quite fond. This light, medium-bodied wine has aromas of blackberry, dark cherries, spice and a subtle hint of vanilla oak. It's smooth in the mouth with plum fruitcake and blackberry flavours with an appealing meatiness that seems common in 2008 Great Southern shiraz. There is good length there too."
