## JETÉ SPARKLING ROSÉ NV

"November 2014 release. Balanced toasty overlay to strawberry, mushroom earthy fruit aromas. The palate is in the dead smart drier end of rose style, very appealing fresh fruits and preserved strawberry, the length articulated by razor sharp balance of fresh acids and slippery riper fruits with a satisfying texture making it generous, not over blown with excellent balance and length. I love the delicacy and articulation of the fresh raspberry strawberry flavoured length of flavour."
