## HOWARD PARK ALLINGHAM CHARDONNAY 2011

"Combines white peach, lemon, oyster shell and smoky oak on the nose, It's intense with good length and acid balance. Bennie also found many features of the wine, but with different descriptors. "Honey and lemon tea. it has a cool flow of honeyed fruit character, shows some peanut buttery notes and a creaminess to the texture, but finishes fresh with a spicy, lemon-granita flash of acidity and some sea-spray notes. Maturity is shaping the wine pretty well. Simple, but pleasing." I couldn't agree with 'simple' bit it's certainly pleasing."
