TONI PATERSON

THE REAL REVIEW

## JETÉ SPARKLING ROSÉ NV

“Made from chardonnay and pinot noir grapes grown in Mount Barker, WA, this wine has attractive red apple and beeswax characters wrapped around a lemony core. The palate is bright and energetic with lovely length. If you feel inclined, a decant is of great benefit to this wine, allowing the rich and complex flavours to fully express themselves, as well as taking the edge of the rather assertive bead.”
