“Hand-picked and sorted batches from each vineyard, cooled, whole-bunch pressed, wild-yeast fermented in all sizes of French oak (40% new), a portion of each batch undergoing mlf, matured for 9 months with continuous lees stirring until dry. The weight and balance of the wine have been precisely calibrated, opening with a floral bouquet leading into an assemblage of citrus (grapefruit) stone fruit (nectarine) and melon, oak providing a tattoo of grilled nuts.”
