Howard Park 2001 Leston Cabernet Sauvignon 17.5/20 rating

"Ripe, rich berry fruits stand and deliver - vibrant blackberries with a hint of dark chocolate, a leathery complexity and floral aromas set the tune of this wine. The palate shows structured tannins and acidity, with fruit density across the mid palate, damson, blackcurrant and mulberry. You will find plenty of length and personality and there is little doubt that in a couple of years this will be classic Margaret River showing its best."
