gustovino

Howard Park 2001 Scotsdale Cabernet Sauvignon 18.75/20 rating

“Bright fruit! Plums, mulberries, with a medicinal herb undertone, a liquorice hint with attractive vanillin smoky oak. The palate has soft fruits with a raspberry and sublime blackcurrant message, touches of black olive with a complex mineral note. Tannins are dusty and lively acidity runs through the mid palate which has plenty of fruit weight; the wine evolved in the glass and will continue to evolve.”
