gustovino

Howard Park 2001 Scotsdale Shiraz 18.5/20 rating

“Red berry notes with damson, cherries and spice provide fragrant aromas that complement the coffee mocha oak and vanillin undertone. The palate shows attractive sweet, savoury fruits with integrated acidity, and dusty tannins that have a green tobacco hint. Quite tight in structure, the wine touches on some anise and spice characters towards the back palate and finishes with persistence and fabulous length. A wine that will further integrate.”
