### HOWARD PARK CHARDONNAY 2009

“Howard Park wines are invariably good, but I reckon their chardonnays, in particular, have lifted another notch in recent years. Any Western Australian chardonnay has to be special to stand out because the competition over there is red hot, but I found this lip-smackingly delicious. It’s fine-boned – linear and taut – with terrific length and acidity, and flavours of nectarine, citrus and rockmelons. Not cheap, but classy.”
