CONNOISSEURS' GUIDE TO CALIFORNIA WINE

Volume 31 Issue 3

Charlie Olken

HOWARD PARK CHARDONNAY 2004

“California Chardonnay lovers are going to find this elegant wine to be a little bit on the understuffed side, and, in truth, it took its own sweet time to grow on us as well. But, in a flight of wines dominated by the most important names and most grand wines from Western Australia, this one just seemed to get better and better as it sat in front of us. Its steely, Chablisienne approach is not often seen in our own Chardonnays, but this one has that quality in spades and deserves to be well-regarded.”
