## Way out West...Aussie Style Leslie Sbrocco

### 2003 HOWARD PARK 'LESTON' CABERNET SAUVIGNON

"An age-worthy cabernet that's ready to drink now. Fleshy and round, it serves up a touch of herbal notes that is Margaret River's signature."

*"The vast state of Western Australia is remote (the anchor city of Perth is a five-hour plane ride from Sydney). Rich in diamonds and gold, much of the area's wealth comes from mining natural resources. Grapes, however, are a rising-star resource. Surrounded by both the Indian and Southern oceans, vineyards in Western Australia benefit from cooling breezes at night while warm days deliver sunshine. The result of this cool, maritime climate is stylish wines with vibrancy and complexity."*
