## HOWARD PARK SAUVIGNON BLANC 2009

*Howard Park is one of WA's leading family-owned wineries, developing a full range of wines under the Howard Park and MadFish brands. It is increasingly adopting biodynamic practices either totally or in part.*

“This is absolutely superb drinking now. The use of some partial oak fermentation has contributed to a creamy soft textural palate albeit with very lively passionfruit intensity. Fine delicate acid sustains a brilliant finish to a wine that you just keep going back to for more.”

*Outstanding 93/100*
