HOWARD PARK RIESLING 2002

*“ My top wines were made by Fromm in Marlborough, **Howard Park in Western Australia**, Rolly Gassemann in Alsace (France) and Kerpend in the Mosel Valley of Germany.*

***Howard Park** is a quality-focussed wine producer in Western Australia with a winery in Margaret River and a second in the Great Southern area.*

It is the latter cooler area that produced the grapes for Howard Park’s ethereal 2002 riesling. This is a wine that could have been made by elves. It is delicate and subtle, yet has impressive power as evidenced by a flavour that remains long after the wine has been swallowed. A riesling to die for”.
