UNCORKED RALPH KYTE-POWELL

HOWARD PARK RIESLING 2002

"A flagship Great Southern riesling from Western Australia, Howard Park 2002 seems to have more depth and ripeness than usual. The nose has intense pear, lime juice and mineral scents. The palate has a smooth middle of real richness and length. A surfeit of tangy acidity promises great longevity."

RATINGS

★★★★★

A superb example, a near-perfect wine of great character, worthy of the big occasion and the best company.

\$\$

Reasonably priced relative to quality.
