

From the Press:

THE WEST AUSTRALIAN FRESH

December 26, 2002

wine feature

BY RAY JORDAN

HOWARD PARK CABERNET SAUVIGNON 2000

" Follows the outstanding and memorable '99 and is only the third straight cabernet under this label. About three quarters of the fruit is sourced from Margaret River and the remainder from the Great Southern.

.....this has all the rich varietal fruit density and fleshiness that marks Margaret River. Stylish and elegant with an interesting berry and light mint mix. **A super wine.**"

90/100

Drink: Now to 2012

Howard Park 2000 Cabernet Sauvignon
