BY RAY JORDAN

HOWARD PARK LESTON CABERNET SAUVIGNON 2001

"This is from Howard Park's Leston vineyard at Margaret River and it demonstrates the enormous potential of this site. Red berry and tobacco create an attractive perfume. The palate is a stylish expression of Margaret River cabernet. The tannins are ripe and quite firm, the 18 months of oak well handled and the fruit still emerges triumphant. Wonderful texture and structure with a sustained finish. Bravo for the screw-cap on this and the entire regional range".

Drink: Now to 2010
