2008 HOWARD PARK 'ABERCROMBIE' CABERNET SAUVIGNON

95 POINTS

"A powerful, long-lived Howard Park, this is a honed wine of excellent length, fine-grained, graphite-like tannins and integrated oak. There's all the varietal flavour you would expect along the way – blackcurrants, cassis, capsicum and leaf.

All it needs is a decade."

2008 HOWARD PARK 'LESTON' CABERNET SAUVIGNON

94 POINTS

"Howard Park Cabernet is stronger than ever at all levels this year. Leston shows definitive Margaret River Cabernet character, edging closer to Abercrombie.

With graphite-fine tannins, it's a great value cellaring special."

2007 HOWARD PARK 'LESTON' CABERNET SAUVIGNON

93 POINTS

"This Leston wears all the stars and stripes of the great '07 vintage showing hefty regional herbs and deep-set cassis flavours. The palate's strung on taut, age-worthy tannins, really muscular and best give the benefit of some time to settle in.

Best from 2015."

2008 MADFISH GOLD TURTLE CABERNET SAUVIGNON

92 POINTS

"I've lost count of the number of Cabernets in Howard Park's armoury these days, but I like them all. Here's an accurate Margaret River style at the right price, and it has the structure and confidence to age reliably for the medium-term."

Tyson Stelzer

2008 MADFISH SIDEWAYS CABERNET SAUVIGNON MERLOT

91 POINTS

"Just when we wished we'd never hear 'Sideways' and 'merlot' in the same sentence again, along comes this quaffer with an attractive, floral lift. Cabernet's structure and tannins bring definition and longevity."
